**JOINT DISCOVERY STATUS REPORT
 (RE ECF 175)**

GREENFIELD

On July 7, 2025, the Court ordered the parties to file a joint discovery status report by October 1 that includes a statement as to whether and when the parties request a further discovery conference with the Court. The parties provide the following status update:

- On September 2, 2025, Plaintiff Number 14 B.V. served a subpoena on Apple Inc. requesting six categories of documents. After Defendants and Apple raised objections to such subpoena, the parties and Apple have commenced discussions regarding the subpoena's scope and requested materials.
- Number 14 served an additional interrogatory and set of document requests on Defendants on September 26 and 30, 2025, respectively.
- On September 29, 2025, Number 14 raised a concern about the completeness of Defendants' production in response to two of Number 14's previous document requests and the Parties are discussing the matter in an attempt to resolve that concern.
- There are no other pending discovery-related issues.

The Parties do not request a discovery conference with the Court at this time. The Parties will request a discovery conference at a later date if needed.
